Alice,

Dear Professor, I

write to express my thanks to you
for my father's account which
appeared in the Invo of 11th
November, 1961.

I thank you most
heartily Sir for what you have
done for me. I could ^{not} write my
father's account in such good
English as you have done.

About the Mthombenis and the
Sishubas I can't give you any
information at present, but later
on I will try to gather as much
information as I can about those
families, and then send it to you.

Yours Obediently,
M. B. Mazwi.
