[15] morning Quiet.  
19<sup>th</sup> January 1940.

My reading taken from Mark  
13/35 WATCH.

I must watch my:

Words,

Actions,

Thoughts,

Conscience,

Heart.

Am I absolutely honest?

Pure?

Unselfish?

Loving?

Honesty: I had inclination to  
buy stolen goods. Help me God  
not to do it.

[16]

I am not quite free since I  
get pay for no work at present  
I can't see some of the officials.  
Help me God to solve this  
problem.

Purity: I fell into immorality  
& I have sexual hunger  
not of the flesh but of  
senses, I think & have  
desire to speak to women of  
attraction. This is my chief  
weakness

Morning Quiet.

Reading John 16. 1-33

Jacob 3. The tongue.

Chief sin; impure thoughts  
specially desire for romance  
though I have no sexual call.  
God take away these thoughts.

I must stop using stamps &  
envelopes which do not belong  
to me.

I must write letters to all  
those that wrote to me.

I must see that I pay tax,  
collection, rent & farm instalment.  
I spoke ill of two people yesterday  
God help me to control my tongue.
